

Description of the main windows of the program (wireframes)

1. Home page

The Home page wireframe consists of a sidebar menu on the left with the following items: Головна, Рахунки, Історія, Доходи, Витрати, and Налаштування. The main content area has a light green background and contains a summary bar at the top displaying 'Загалом: 2000 uah, 100 usd, 80 eur, 50 usdt'. Below this, there are two progress bars: one for 'Витрати' (Expenses) and one for 'Залишок' (Balance). At the bottom of the main content area is a yellow button labeled 'Додати транзакцію' (Add transaction).

The startup window that opens when you launch the program.

The top shows the total balance on all accounts, summarized by different currencies separately (for example, UAH, USD, EUR, USDT).

The middle of the window shows the share of expenses in total income and the share of the balance in total income for the whole time as a percentage.

At the top of the page is a menu for navigating the program. It contains the following items: Home, Accounts, History, Income, Expenses, Settings.

At the bottom of the window in the middle is the button “Add transaction”, by clicking on which the user can add a transaction.

The user selects the account from which or to which the transaction was made (drop-down list), the transaction category (drop-down list) and the amount (input) in a new window:

The transaction form wireframe is a purple-bordered box containing the following elements: a 'Рахунок' (Account) dropdown menu with 'Гаманець' (Wallet) selected; two radio buttons for 'Витрати' (Expenses) and 'Дохід' (Income), with 'Витрати' selected; a 'Категорія' (Category) dropdown menu with 'Продукти' (Products) selected; a 'Сума:' (Amount) input field with '80' entered; and a yellow 'Додати' (Add) button at the bottom.

2. Accounts.

The screenshot shows a mobile application interface for the 'Accounts' menu. On the left is a vertical purple sidebar with white text links: 'Головна' (Home), 'Рахунки' (Accounts), 'Історія' (History), 'Доходи' (Income), 'Витрати' (Expenses), and 'Налаштування' (Settings). The main area has a light purple background and contains four yellow rectangular boxes with black text, each representing an account: 'Гаманець: 1200 uah', 'Картка MonoBank: 300 usd', 'Сейф: 1000 uah, 50 usd, 80 eur', and 'Криптогаманець: 100 usdt, 0.003 btc'. At the bottom center is a yellow button with black text that says 'Додати рахунок' (Add account).

The window that opens when you go to the Accounts menu item.

This page displays all accounts with the balance grouped by currency in the format: <<Account name: amount + currency>> At the top of the page there is a menu for navigating the program. It contains the following items: Home, Accounts, History, Income, Expenses, Settings.

At the top there is a button with the ability to add an account.

In a new window, the user enters the name of the account (input), selects currencies (input), and enters the amounts (input). At the bottom of the window is the save button, which saves the new invoice:

The screenshot shows a form for adding a new account. It has a purple background. At the top is a label 'Назва:' followed by a text input field containing the placeholder 'Введіть назву'. Below this is a yellow button labeled 'Баланс'. Under the button is a list of radio buttons for currency selection: 'Uah', 'Usd', 'Eur', 'Usdt', and 'Btc'. To the right of the radio buttons is a text input field labeled 'Введіть суму' with the value '120' entered. At the bottom center is a yellow button labeled 'Зберегти' (Save).

3. History.

Головна	Історія транзакцій
Рахунки	
Історія	25.09.2022, Карта Моно, продукти, -80uah Редагувати
Доходи	
Витрати	25.09.2022, Сейф, робота 1, +120 usd Редагувати
Налаштування	24.09.2022, Гаманець, робота 2, +200 uah Редагувати

The window that opens when you go to the History menu item.

At the top of the page is a menu for navigating the program. It contains the following items: Home, Accounts, History, Income, Expenses, Settings.

This page displays all transactions in chronological order in the format <<Date, account name, category, amount, currency>>.

Each transaction has its own block color - blue if it is an income, red if it is an expense.

Each block with a transaction also contains Edit and Delete buttons on the right side, which open a new window for editing or deleting the transaction:

Головна	Історія транзакцій
Рахунки
